

656598 Sizzix® Bigz™ Pro Die - Box, Dress

1. Die-cut Dress Box from chosen material and fold along all crease lines.

2. Connect the sides of the compartment by sliding the locking slits into each other.

3. Close the top of the compartment by sliding the slits of the heart-shaped tabs into each other.

4. Finished compartment.

5. Adhere the Dress-shaped sides of the Box together by placing adhesive to the top of each strap and pressing them together.
