

## 656830 Sizzix® Bigz™ Pro Die - Box, Milk Carton by E.L. Smith

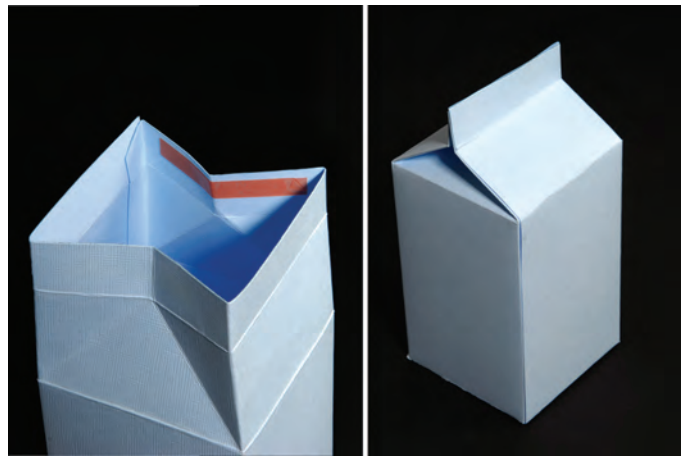

1. Die-cut Carton, fold along all creases and add adhesive to the side flap.

2. Adhere the long tab to the opposing side to form the body of the Carton.

3. To create the Carton bottom, fold in the long flaps first, apply adhesive to the short flaps, fold flaps over and press firmly.

4. Seal the top of the Carton by adding adhesive to the two folded sides of the top. Pinch the top closed and press firmly.
