

657162 Sizzix® Bigz™ Pro Die - Pocket Page & Tag

1. Die-cut desired quantity of Pages and Tags from chosen material.

2. Create a Pocket Page by first folding up the scalloped edge.

3. Fold the Page in half so that the holes line up and the scalloped Pocket is on the outside of the Page.

4. Combine Pages to create an album. Use loosely tied string or ribbon, or metal snap rings to hold the album together.

5. Embellish as desired.
