

## 657332 Sizzix® Bigz™ Pro Die - Bag, Hanging by Lynda Kanase

1. Die-cut pieces as shown. Holes have been incorporated into this design so that either brads or adhesive may be used to assemble this die.

2. Align the holes on the bottom tab of the Bag front with the corresponding holes on the rectangular back piece and adhere or secure with brads.

3. Align the holes on the side tabs with the corresponding holes on the rectangular back and adhere or secure with brads.

4. Embellish as desired.
