

657842 Sizzix® Movers & Shapers™ L Die - In the Bag by Tim Holtz®

1. Die-cut from *desired material* and apply adhesive as shown.

2. Create the body of the bag by adhering the long side tab to the opposing side.

3. Close the bottom of the bag by folding in the side tabs, followed by the long U-shaped flap, then insert the tab of the final flap into the opening of the U.

4. Embellish as desired.
