

658339 Sizzlits® Decorative Strip, Medallions by Brenda Walton

1. Die-cut material as shown. Die-cut four large circles.

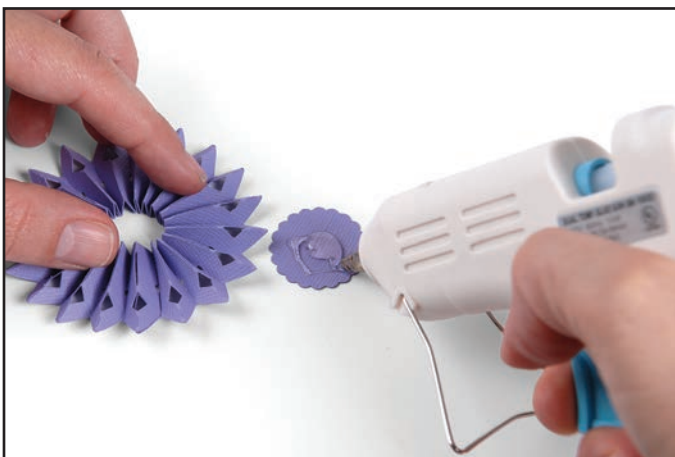

2. Accordion fold the Medallion strips.

3. Connect the opposing ends of the Medallion strips.

4. With the decorative edge pointing downward gather in the top edge and push downward until the Medallion flattens against the table surface.

5. Apply strong adhesive to one of the large circles and adhere in center of the Medallion body on both sides.

6. Embellish as desired.
