

# 658487 Sizzix® Bigz™ Pro Die - Bag, Tuxedo by Jen Long-Philipsen

1. Die-cut, fold and apply adhesive to material as shown.

2. Adhere Shirt piece to the inside of the Tuxedo panel.

3. Adhere embellishments.

4. Build bag as shown.

5. Close top of bag and fold round flap over the opening. Insert the round tip of the flap into the slot on the back of the bag.
