

658504 Sizzix® Sizzlits® Die - Flower, Rose 3-D by Scrappy Cat®

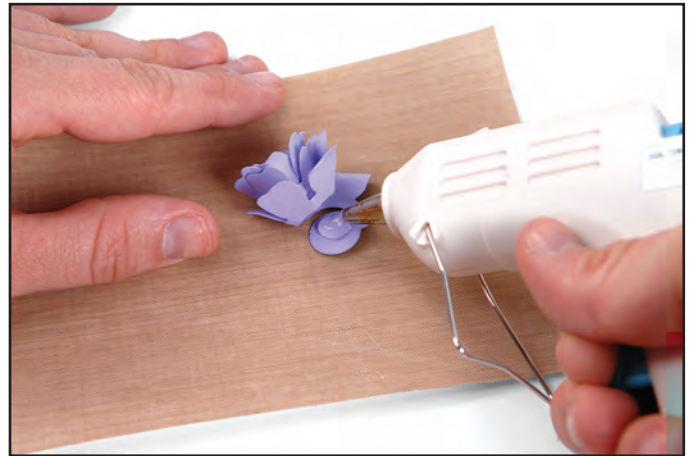

1. Die-cut material as shown.

2. Using a small dowel or skewer lightly roll the ends of the petals.

3. Using a small dowel or skewer, roll the Rose by starting with the outermost petal, rolling in toward the center circle.

4. Apply adhesive to the center circle and adhere the rolled petals.

5. Arrange petals as desired.
