

660108 Sizzix® Thinlits™ Die Set - Clothespin Embellishments by Jen Long

1. Die-cut Clothespin Embellishments from desired material.

2. Adhere decorative strip to the top of the clothespin. Apply adhesive to the background wings and petals.

3. Adhere the front wings and petals to the background wings and petals. This does not have to be done on the clothespin.

4. The background wings and petals create a sleeve that wraps around the clothespin.

5. Apply provided embellishments as desired

6. These fun shapes can be removed and rearranged on the clothespin, so whether you are clipping from the top or the bottom, you can arrange your project as needed.
