

1. To die-cut the large Card, cut a piece of cardstock at least $5 \frac{3}{4}$ " wide by $8 \frac{3}{4}$ " long. Measure $3 \frac{1}{4}$ " in from one of the short edges and fold.

2. Place the folded edge just inside the bottom blade of the large Card cutout, making sure that the paper overlaps both sides of the cutout. Run die and paper through your Sizzix machine.

3. Embellish as desired.
