

# 661547 Sizzix® Thinlits™ Die - Snowflake Card by Sharyn Sowell

1. Die-cut two Snowflake flaps from desired material.

2. Cut a piece of paper for the Card body. Minimum height should be 5 1/4" or 13.34 cm. Different width can vary. (In this example, the Card body is square.)

3. Adhere the Snowflake flaps to the back side of the Card body.

4. Fold Snowflake flaps toward the front of the card and embellish as desired.
