

## 661922 Sizzix® Thinlits™ Die Set - Double Tote Bag by Lori Whitlock

1. Die-cut out of desired material. Apply adhesive to the side tabs.

2. Align the handle holes of the center sections of the Double Tote Bag, and adhere them together as shown.

3. Adhere the two house-shaped, side pieces to the tabs of one of the end sections, as shown. Fold the end piece upward, and attach the sides to their corresponding tabs.

4. Embellish as desired.
