

# 662363 Sizzix® Thinlits™ Die Set - Butterfly Favor Box by David Tutera™

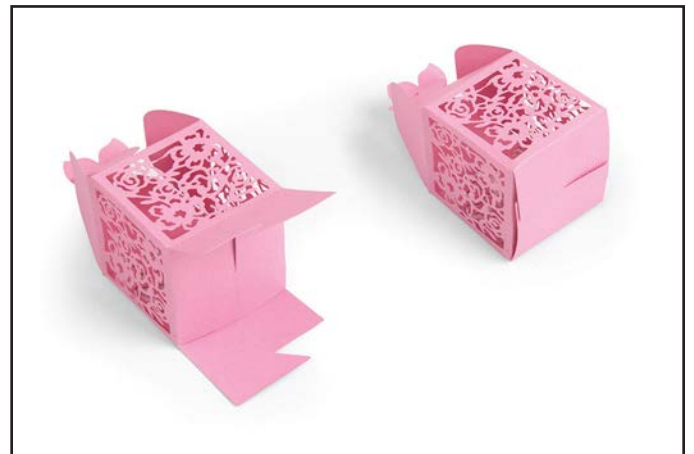

1. Die-cut out of desired material, and apply adhesive to the side tabs.

2. Adhere the two side panels together.

3. Adhere the remaining tab to the corresponding edge to complete the body of the box.

4. Close the bottom of the box by interlocking the pointed tabs of opposing flaps beneath each other as shown.

5. Close the top of the box by interlocking the butterfly shapes.
