

662727 Sizzix® Thinlits™ Die Set - Card, Pineapple Fold-a-Long™ by Jen Long

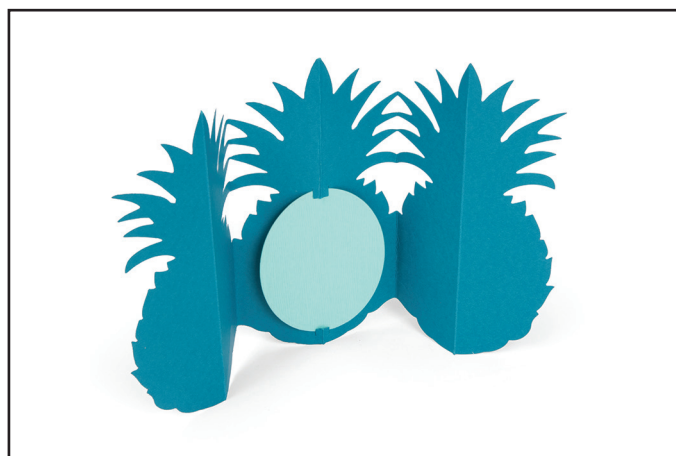

1. Fold-a-Long™ dies are designed to cut using the single-fold technique. This technique begins by folding a single piece of cardstock in half.

2. Place the folded cardstock on the Cutting Pad with the straight edge of the half pineapple just past the edge of the fold.

3. Accordion fold the card as shown.

4. The center cutout is designed to fit between the top and bottom tabs in the center of the card.
