

Banner (Ribbon & Scallop)

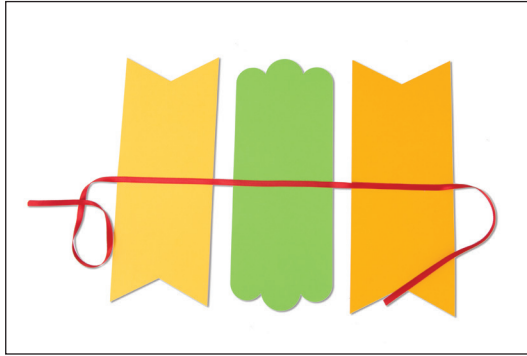

Figure A

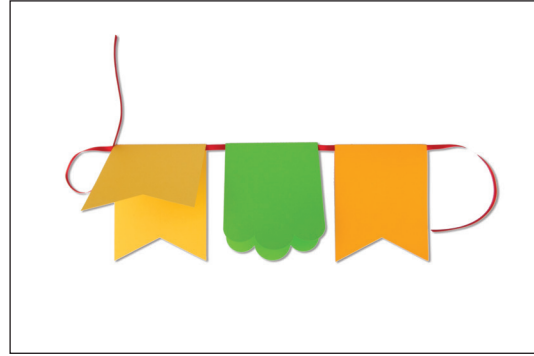

Figure B

Figure C (Ribbon)

Figure D (Scallop)

The teacher will die-cut the materials for student use prior to the lesson.

1. Die-cut out of colored paper or cardstock as many banner segments as you need to spell out your message (Figure A).
2. Place adhesive on one half of each banner segment, and place ribbon, string or twine on top of the adhesive directly against the perforated line marking the middle of the design (Figure A).
3. Fold each banner segment in half, trapping the ribbon in the middle and fastening the two halves together (Figure B).
4. Add letters and/or designs to the banner segments to spell out your message (Figures C & D).

Banner (Ribbon & Scallop) A11158 & A11159
